WELCOME TO YOUR DofE

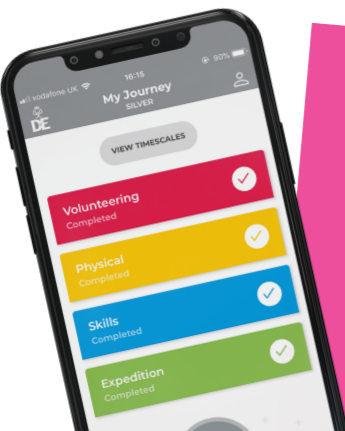

Congratulations on deciding to take on DofE Silver.

Everyone's DofE is unique but it's always an adventure. It gives you the chance to take on your own challenges, follow your own passions, and discover talents you never knew you had.

You'll choose from thousands of activities, some you'll know, some totally new. From football to film-making, skateboarding to singing, DJing to helping out at your local youth club – the possibilities are endless. What's more, you'll make memories, friendships and skills that'll last forever.

Your DofE won't just help you stand out when you apply for college, uni or a job. It'll help you build life-long belief in yourself. Because we believe that when you prove to yourself that you're ready for anything, nothing can hold you back.

Welcome to you without limits.

FOUR SECTIONS. ONE UNFORGETTABLE EXPERIENCE.

Your DofE Award is totally unique to you. You'll need to choose and complete one activity to do under each of the four sections. With the Silver Award, you need to do Volunteering for six months, your choice of either Physical or Skills for six months and the remaining section for three months. The Silver expedition takes place over three days and two nights.

Top tip. Choosing activities you'll enjoy will make it easier to stick at it and ultimately help you get more out of your DofE experience.

“DofE really showed me what I was capable of, physically and mentally.” Maria, 15
