Members 18-30 years are asked to judge two rings of 4 animals by placing them in order of merit and give their reasoning on placing the second ring of four animals to a Judge. Participants in these age groups are also required to assess animal A in ring one according to the appropriate scale of points (see Additional Information - Assessment). This is to be used as a tie break only.

Competitors attend area competitions at appointed venues in April. The top 4 participants in each age group go forward to the Northern Ireland Finals which normally take place in July.

Eligibility

The Beef Cattle Judging and Assessment competitions are open to all members between the ages of 11 and 30, who hold a valid YFCU membership.

Protests

See Protests in General Rules Section. The Executive Committee of the YFCU reserves the right to amend or cancel any of the foregoing rules as it may consider necessary.

Assessment

In addition to placing the two rings of stock competitors also must assess an individual animal according to the marking scale

Members aged 18–30 years assess animal “A” in ring one (Tie Break) and Members aged 12–18 years assess an individual animal once they have judged ring 2. Since the Executive Committee wishes to maintain a desirable ratio between the marks for the two rings and the assessment, only half the marks for the assessment will be counted in ($110/2=55$).

All Competitors must follow the directions of the Stewards and adhere to the time permitted for each of the tasks.
